

SMSC: Inclusion and Diversity at Burnley Brow

At Burnley Brow, we nurture each child and celebrate the things that make them special and unique. We value the fact that whilst we have much in common with each other, we also have different characteristics, skills and experiences that make each of us different from anybody else. We use assemblies, curriculum opportunities, circle time and themed events to develop our children's understanding of diversity and inclusion and to celebrate all children, their families and the wider community.

Gender

Religion and Faith

Talents and Interests

Inclusion and diversity promotes equality and values the differences between people. Equality is about ensuring individuals are treated fairly. Diversity is about recognising and respecting these differences to create an all-inclusive atmosphere. By promoting equality and diversity in school, we create an environment where we can all thrive together and understand that individual characteristics make people unique and special.

Cultural Heritage

Needs and Abilities

All Families

Ages and Stages

In accordance with government guidelines and legislation, we challenge prejudice and discrimination in all its forms; we aim for every child to feel safe and valued within our school and community.
