

Reception L's Visit to Stonerig Raceway

Our Reception children had a fantastic time on their trip to Stonerig Raceway, where they found out more about different forms of transport.

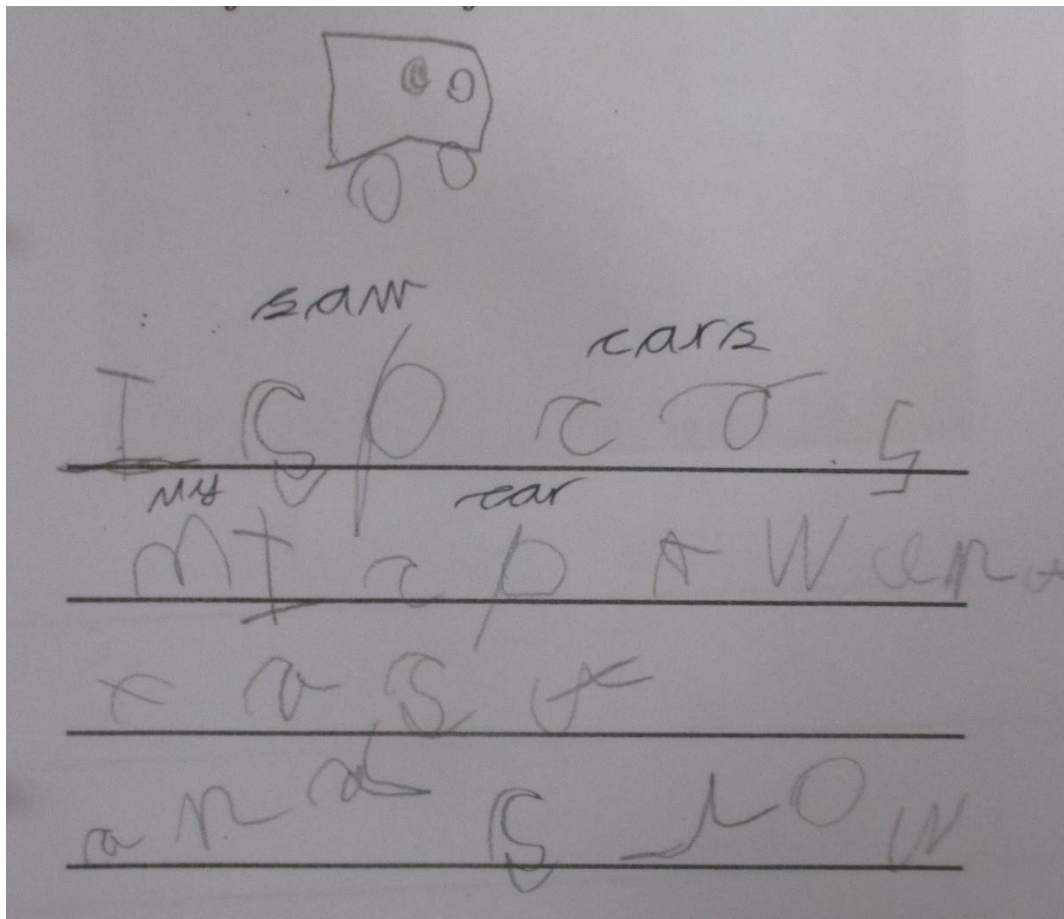

We started by going on a coach. We talked about the coach and all of the different things that we could see when we looked out of the windows.

When we arrived at Stonerig Raceway, we were taught how to race scalextric cars. We learnt how to drive them at different speeds.

The trip was very fun and I liked how the racing cars went so fast. I liked how it moved and I liked how it makes cool sounds. If you press the button it goes
