

Reception TO Trip to Stonerig Raceway 9th January 2019

I loved the racing cars because it was fast and I could win a race.

Ibrahim

If you press a button it goes. That's the remote controller. It was so fun.

Ishrat

We went to 'Stonerig Raceway' as our memorable experience for our topic 'Are we there yet?'

We all had turns on the six giant 'Scalextric' tracks. The children learned about going on a journey, working in teams and developed their ICT skills. We had great fun and this was a new and different experience for all the children.

Below is a piece of writing about our trip, written by Zaynab.

Stonerig Railway.

I paid
with the
cakes and
the yelp to
cakes with
g.
